

## **Nepal Engineering Council:**

### **Launch of Professional Engineer (Nepal) Title.**

#### **Call for Support from Engineers with a Professional Title Recognised by the International Engineering Alliance (IEA)**

The Nepal Engineering Council (NEC) is preparing to launch a professional title for engineers, PEng (Nepal). NEC kindly requests all engineers working in Nepal and holding a professional engineering title recognised by the International Engineering Alliance (IEA) to support the first round of professional reviews for Senior Experience Route applicants. Further information can be found at <http://nec.gov.np/pages/Professional/>. Please contact [necgov@ntc.net.np](mailto:necgov@ntc.net.np) if you have any queries or to register your interest in becoming a Reviewer for this first phase of the PEng launch.
