

Orientation cum Workshop on Quality Accreditation
Jointly organized by UGC, NEC and AECOn

Orientation cum Workshop on "Quality Accreditation" was jointly organized by University Grant commission (UGC), Nepal Engineering Council (NEC) and Association of Engineering Colleges Nepal (AECOn) today (Date: 22 February 2018 (10 Falgun 2074). All the Engineering Deans of the Universities, Chairpersons and Principals of Engineering Colleges were invited to attend the event with the following Objectives: To attract and motivate all the engineering colleges of Nepal to be quality accredited in order to enhance their management, teaching and learning system of the colleges. The presence of high level authorities from the Universities and engineering colleges was observed. It was a very satisfying and fruitful event. The NEC thanks all the participants, UGC Team and AECOn Team to make this event a grand success. For this, the following activities were performed.

- QAA awareness among Engineering Colleges (UG and PG).
- Train on how to conduct self assessment
- Train on how to prepare SSR

There were six presentations and two experience sharing on this occasion.
